Planning to Plan

- How do we get started with planning?

- Do we just jump into Mission Analysis?

- Like a meeting has an agenda to keep it on track, a planning process should have a “plan”.

- What is the purpose of a plan to plan?

- What should the “plan to plan” cover?

- Who do we send this to?
  - How (what are effective methods)?

- Does the plan to plan ever change? Why and How?
    - How do we keep everyone on the same sheet/version?
